Dear shubham,

Where to begin, where to begin. Well, first off – congratulations! You are contractor of our porn business between the duration peroid 13 may 2019 to 13 may 2025.

Your porn video script and all production models either uk us and india are very good. We are very happy to you come to my family and our business. several times we are looking a great partner and business clients who expand our business to everywhere, and the more source that share this with our business to everywhere, the more I become interested on how we can work together

Now, I know getting an open letter like this from the worlds largest adult entertainment company can be intimidating. **I'll** make this simple: you have your production and you and we consider bringing it to a whole new field work with us.

I'd like to formally offer you a chance to shoot adult content with BRAZZERS.COM. Pending your approval, we can work with you to create your first ever porn scene -you can even set the terms of the shoot (if you only want to work with our models or your models, we willgive you the best}.

Our company give you all revenue of your making videos to per scale wise 30 to 40 percent. , as we told you that it's a huge platform of your selling business to us . So.we fully prepared to offer you to working with us.

We are eagerly wating you for working with you.

Best of Luck !!!

Mario Nardstein Director of Brazzers BRAZZERS.COM
